

## Year 5 Home Learning Grid

Ancient Greece – How can we learn about Ancient Greece when it was 2500 years ago?

Research an ancient Greek god.	Create your own Greek God. Include key facts and information.	Create a menu for your own Greek restaurant – how will you make this eye catching?
Create a model or sketch of the Parthenon.	Make your own piece of ancient Greek pottery.	Listen to some Greek Myths: Youtube – <a href="#">Greek Mythology: Mythical Tales of Ancient Greece</a> BBC School Radio- <a href="#">Primary History KS2: Ancient Greece</a>
Design or make your own Labyrinth.	Have a go at making a traditional Greek dish.	Research ancient Greek crowns. Design or make your own using natural materials.

*The home learning grid gives a variety of creative tasks for the children to choose from, which link to their topic for the term. We suggest that children choose one to complete, however should they wish to complete more, we recommend no more than three. These tasks are optional and should be chosen in addition to, not instead of, the English and Maths key learning tasks.*

*Home learning is due in by the last day of term.*
