Code of conduct for school governing boards 2025-2026

Outline

This code sets out the expectations and commitment required from school governors, trustees, and local governors/academy committee members for the governing board to properly carry out its work within the school/s and the community. It can be amended to include specific reference to the ethos of the particular school. Unless otherwise stated, 'school' includes maintained schools, academies, free schools and it applies to all levels of school governance.

This code should be tailored to reflect your specific governing board and school structure, whether that is as a maintained school or academy, either as a single school or group of schools. It should be adapted as appropriate depending on the governance setting and level of delegation.

All members of the governing board must retain their own signed individual master copy of the agreed code; this will evidence that they have read and understood it; all board members are expected to abide by, and will be held accountable to, the agreed document.

The board may subscribe to an electronic facility which enables individual board members to electronically agree to the board's agreed code of conduct e.g., via GovernorHub; if this is the case all new governors/trustees/local governors/academy committee members will need to have this explained to them by the board as part of the governance induction process, with a copy of the code of conduct being included for reading and signing and/or approving electronically.

Model Code of Conduct for Lydden and River Primary Schools Federation

Governing board code of conduct

This code should be read in conjunction with the Maintained or Academy Trust Governance Guide, Terms of Reference (ToR's), relevant law and for academies their articles of association, master funding agreement, agreed scheme of delegation and Academy Trust Handbook.

Once approved by the governing board, this code of conduct will apply to all governors at maintained school level and for trust boards for all trustees, local governors, academy committee members.

Failure by any individual governor to sign the code of conduct will be counted as a breach of the code.

Approved and adopted by the governing body

Date: 14th October 2025

Next review due by: October 2026

The governing board has adopted the following code of conduct

Purpose of the governing board

The purpose of governance is to provide confident and strong strategic leadership which leads to robust accountability, oversight and assurance for educational and financial performance. The governing board is the key strategic decision-making body in the school, setting the strategic framework and ensuring it meets all its statutory duties. High quality effective and ethical governance is key to success in our school and for the future of our pupils. Ensuring the best possible outcomes is at the heart of a governing board's strategic role; every child has the right to reach their full potential.

The maintained governing board has the following core strategic functions:

Ensure the vision, ethos and strategic direction of the school are clearly defined by:

- setting the vision, values, and objectives for the school(s)/trust
- agreeing the school improvement strategy as appropriate including its priorities and targets
- being the strategic key decision maker with decisions made in the best interest of pupils and our (charitable) purpose
- delegating operational matters to executive leaders and governance functions to committees, monitoring pairs or individuals as appropriate
- being connected with, and answerable to, the communities we serve, particularly parents/carers
- meeting statutory duties.

Ensure the headteacher performs their responsibilities for the educational performance of the school by:

- performance managing the lead executive/headteacher/head of school in accordance with the terms of reference (ToR) or scheme of delegation (SoD)
- robust holding to account for improving pupil and staff performance by asking the right questions
- workload consideration
- rigorous analysis of data
- understanding the curriculum offer, its intent, implementation, and impact
- monitoring and evaluating progress towards targets
- contributing to school self-evaluation.

Ensure proper and effective use of the school's financial resources, in accordance with the Terms of Reference by:

- ensuring financial probity
- ensuring financial compliance
- setting the budget
- monitoring spending against the budget
- ensuring value for money is obtained, with the money being well spent
- ensuring risks to the organisation are managed.

As individuals on the board, we agree the following:

Role and responsibilities

- We understand the purpose of the board, the skillset required to perform our core roles, and any individual delegated functions, and the role of the headteachers.
- We accept and abide by the Framework for Ethical Leadership in Schools which incorporates [The Seven Principles of Public Life](#) (see appendix 1).
- We each as individuals and as board, agree at the earliest opportunity to 'call-out' the use of unacceptable words, language, actions or behaviours e.g. within the context of a meeting - at the time within the meeting we agree to seek an explanation/clarification/rectification/accountability.
- We accept that we have no legal authority to act individually, except when the board has given its delegated authority to do so, and therefore we will only speak on behalf of the governing board when we have been specifically authorised to do so, reporting back accordingly to the governing board.
- We accept collective responsibility for all decisions made by the board or its delegated agents. This means that we will not speak against majority decisions outside the governing board meeting.
- When making decisions we will act objectively, impartially and fairly. We will use the best evidence, and without discrimination or bias, be objective when exercising judgement and analysis solely for the good of the pupils.
- When communicating formally within our governing role, we will ensure any comments made reflect federation policy even if they differ from our personal views.

- We will encourage open transparent governance and will act appropriately.

- We will demonstrate a professional attitude in all our undertakings as a governor.
- In making or responding to criticism or complaints we will follow the policies and procedures established by the governing board, acting without discrimination or bias.

- We understand, will adhere to, and respect the differences between the strategic governor role and any other which we may undertake within the school as a parent, professional or volunteer.
- We agree to adhere to the federations rules and the policies and procedures we approve as a board as set out by the relevant governing documents and law, including complying within

- We acknowledge that accepting office as a governor involves the commitment of significant amounts of time and energy.
- We will **each** involve ourselves actively in the work of the governing board, and accept our fair share of responsibilities, including service in committees, monitoring pairs, monitoring activities, panels or working groups.

- We will ensure collectively that all governors comply with the requirements for statutory training for safeguarding, PREVENT duty and any others identified in the Governance Guides or Keeping Children Safe in Education, including safeguarding training at local Induction.
- We accept that in the interests of open governance, our full names, date of appointment, terms of office, roles on the governing board, attendance records, relevant business, familial, friendship, relationship and pecuniary interests, diversity data (see [Maintained](#) / [Academy](#) DfE guidance for the publication of diversity data), category of governor and the body responsible for appointing us, will be published on the schools website until 12 months after our service has ended in line with the DfE 'What [Maintained schools](#) / [Academies](#) must publish online' requirements.

- We will abide by the board agreed staff code of conduct, regarding behaviours and dress code when visiting the school.
- In the interest of transparency, we will commit to declaring at meetings and updating our pecuniary, familial, friendship, relationship and business interests as soon as possible.
- In following statutory requirements, we will ensure we are registered with the Local Authority (LA) maintained school statutory database and Get Information about Schools database and keep our contact details up to date. (For Kent and Medway maintained schools the LA database is GovernorHub) - delete if not applicable
- We will abide by [UK GDPR, data protection](#) and the LA [data retention](#) information documentation

Relationships

- We will strive to work as a team in which constructive working relationships are actively promoted.
- We will express views openly, courteously and respectfully in all our communications with other governors, the clerk/governance professional to the governing board and all school staff.
- We each as individuals and as board, agree at the earliest opportunity to 'call-out' the use of unacceptable words, language, actions or behaviours e.g. within the context of a meeting - at the time within the meeting we agree to seek an explanation/clarification/rectification/ accountability.
- We will always support the clerk/governance professional in their role of ensuring appropriate conduct both at and between meetings.
- We are prepared to answer queries from other board members in relation to delegated functions and take into account any concerns expressed, and we will acknowledge the time, effort and skills that have been committed to the delegated function by those involved.
- We will seek to develop effective working relationships with the headteachers, staff and parents, the Local Authority and other relevant agencies and the wider community.
- We understand that potential or perceived breaches of this code will be taken seriously and that a breach could lead to formal sanctions including [suspension \(LA Maintained boards only\)](#) or removal from the governing body as a last resort; academies refer to your agreed articles of association.

Social media

- We will abide by the requirements of the school's social media, artificial intelligence (AI) and Authorised Users Protocols (AUP) policies.

Confidentiality

- We will ensure we abide by the protocols of our virtual meeting policy and processes to ensure our attendance enables the confidential conditions required.

- We will continue to recognise and honour the commitments made in this code when visiting the school in a personal capacity (ie, as a parent or carer, volunteer)

Conflicts of interest

- We will record any familial, pecuniary, friendship, relationship or other business interest (including those pertaining to people we are related to, connected to or friendly with, and those governing in other schools) in the Register of Business Interests and also declare these at all relevant meetings. If any familial, friendship, pecuniary, business or relationship conflict perceived or real arises in a meeting, we will offer to leave the meeting for the appropriate length of time and accept the board's decision on managing the conflict.
- We accept that the Register of Business Interests will be published on the schools websites.
- We will declare any conflict of loyalty at the start of any meeting should the situation arise, such as supporting the school with any operational element.
- We will act in the best interests of the school as a whole and not as a representative of any group, even if elected or appointed by them to the governing board.

We recognise this code of conduct is not exhaustive. If situations arise that are not covered by this code, governors will use their judgement and act in the best interests of the school, its pupils, and their role in holding public office.

Breach of this code of conduct

- If we believe this code has been breached, we will raise this issue with the chair for investigation and reporting back to the governing board.
- Should it be the chair that we believe has breached this code, the issue should be raised with the vice chair for investigation.
- In certain circumstances, e.g., tainting, it may be more appropriate for another member of the board or an appointed independent investigator to undertake the investigation, then report back to the governing board.
- The governing board will only use suspension (maintained schools only) or removal (ensuring statutory guidance, procedures and regulations are followed) as a last resort after seeking to resolve any difficulties or disputes in more constructive ways. Removal will be used where serious misconduct has taken place.
- We understand in maintained schools, that we are only expected to exercise the power to remove an elected governor (which incorporates a five-year disqualification term), in exceptional circumstances where the actions or behaviour of the elected governor warrants removal rather than suspension.

Annual governor declaration

I declare that I am not disqualified from serving as a school governor (or associate member) in that I do not breach any of the circumstances in which a governor (or associate member) is disqualified from standing for election, being appointed or continuing in office:

Qualifications and disqualifications (regulation 17 and Schedule 4 to the Regulations)

Grounds for disqualification fall into three broad categories:

A person cannot hold more than one governor post at the same school at the same time.

Grounds that apply to particular categories of governor

A person is disqualified from being a parent governor if they are an elected member of the LA or paid to work at the school for more than 500 hours (i.e., for more than one-third of the hours of a full-time equivalent) in any consecutive twelve-month period at the time of election or appointment.

A person is disqualified from being a Local Authority governor if they are eligible to be a staff governor at the school. The Local Authority may also have restrictions on potential candidates. Please check the criteria list for the Local Authority governor positions.

- an elected member of the Local Authority; or

This does not apply to the headteacher or to foundation governors appointed by virtue of their office.

A foundation, Local Authority, co-opted or partnership governor at the school who is disqualified for failing to attend meetings is only disqualified from being a governor of any category at the school during the twelve-month period starting on the date on which they were disqualified.

A person is disqualified from holding or continuing to hold office as a governor of a school if, in summary, that person:

For trust chairs that are newly appointed as the chair of trustees or have not previously had a suitability check completed on behalf of the Secretary of State for Education in relation to this role, they must apply for a [suitability check](#) from the Department for Education.

I have agreed to an application being made for an enhanced criminal record certificate, section 128 check and any other checks deemed necessary e.g. for academies, requirements for Companies House.

I agree to abide by the above code of conduct and know of no reason from the above disqualification criteria for not continuing to hold the office of governor.

Failure by any individual governor to sign this code of conduct will be counted as a breach of the code.

I understand that potential or perceived breaches of this code will be taken seriously and that a breach could lead to formal sanctions including [suspension \(LA maintained boards only\)](#) or removal from the governing body as a last resort; academies refer to your agreed articles of association

Framework for Ethical Leadership in Education

SELFLESSNESS | School and college leaders should act solely in the interest of children and young people.

INTEGRITY | School and college leaders must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. Before acting and taking decisions, they must declare and resolve openly any perceived conflict of interest and relationships.

OBJECTIVITY | School and college leaders must act and take decisions impartially and fairly, using the best evidence and without discrimination or bias. Leaders should be dispassionate, exercising judgement and analysis for the good of children and young people.

ACCOUNTABILITY | School and college leaders are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

OPENNESS | School and college leaders should expect to act and take decisions in an open and transparent manner. Information should not be withheld from scrutiny unless there are clear and lawful reasons for so doing.

HONESTY | School and college leaders should be truthful.

LEADERSHIP | School and college leaders should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles, and be willing to challenge poor behaviour wherever it occurs. Leaders include both those who are paid to lead schools and colleges and those who volunteer to govern them.

Schools and colleges serve children and young people and help them grow into fulfilled and valued citizens. As role models for the young, how we behave as leaders is as important as what we do.

Leaders should show leadership through the following personal characteristics or virtues:

TRUST | leaders are trustworthy and reliable

We hold trust on behalf of children and should be beyond reproach. We are honest about our motivations.

WISDOM | leaders use experience, knowledge and insight

We demonstrate moderation and self-awareness. We act calmly and rationally. We serve our schools and colleges with propriety and good sense.

KINDNESS | leaders demonstrate respect, generosity of spirit, understanding and good temper

We give difficult messages humanely where conflict is unavoidable.

JUSTICE | leaders are fair and work for the good of all children

We seek to enable all young people to lead useful, happy and fulfilling lives.

SERVICE | leaders are conscientious and dutiful

We demonstrate humility and self-control, supporting the structures, conventions and rules which safeguard quality. Our actions protect high-quality education.

COURAGE | leaders work courageously in the best interests of children and young people

We protect their safety and their right to a broad, effective and creative education. We hold one another to account courageously.

OPTIMISM | leaders are positive and encouraging

Despite difficulties and pressures, we are developing excellent education to change the world for the better.

The Seven Principles of Public Life

They must declare and resolve any interests and relationships.

Objectivity - Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability - Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness - Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty - Holders of public office should be truthful.

Leadership - Holders of public office should exhibit these principles in their own behaviour and treat others with respect. They should actively promote and robustly support the principles and challenge poor behaviour wherever it occurs.
