

Key Instant Recall Facts

Year 1 – Summer 2

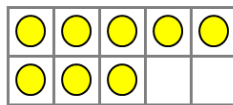

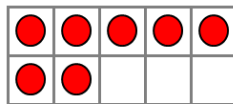

I know doubles and halves of numbers to 10.

By the end of this half term, children should know the following facts. The aim is for them to recall these facts **instantly**.

$0 + 0 = 0$	$20 - 10 = 10$
$1 + 1 = 1$	$18 - 9 = 9$
$2 + 2 = 4$	$16 - 8 = 8$
$3 + 3 = 6$	$14 - 7 = 7$
$4 + 4 = 8$	$12 - 6 = 6$
$5 + 5 = 10$	$10 - 5 = 5$
$6 + 6 = 12$	$8 - 4 = 4$
$7 + 7 = 14$	$6 - 3 = 3$
$8 + 8 = 16$	$4 - 2 = 2$
$9 + 9 = 18$	$2 - 1 = 1$
$10 + 10 = 20$	

Double 7

$$7 + 7 = 14$$

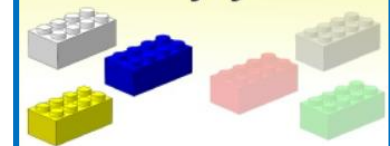

Key Vocabulary

What is **double** 9?

What is **half** of 6?

Half of 6

$$6 - 3 = 3$$

Practise online:

- Log in to Math Shed and select the assignment set.
- White Rose One Minute Maths app - select 'Addition' then 'Doubles'
- Play <https://www.topmarks.co.uk/maths-games/hit-the-button> Select 'Doubles' then 'Doubles to 10' or 'Halves' then 'Halves to 10'

Practical ideas:

Give your child a set of objects (counters, bricks, etc). Give them a small number of objects, e.g. 3 and ask them to double that quantity. Then say, "Double 3 is 6... 3 plus 3 is 6."

Use even numbers of items like sweets or grapes and ask your child to share them equally between two groups. This
