

Year 1 Home Learning Grid
Rio de Vida – Where does carnival come from?

Go on a nature walk. Identify the leaves you find. Can you spot any wild flowers too?	Find out three interesting facts about Brazil.	We are learning to tell the time using o'clock and half past. Make a paper plate clock.
We are talking about year 1 memories. What have been your favourite moments?	Treasure hunt - Hide your favourite toy in your house or garden and write some clues on where to find them.	Create a piece of artwork in the style of Romero Britto.
Make a carnival headdress or mask.	Create a timeline of your life. You could draw or use photographs.	Choose one of our favourite five stories and retell it through a story map.

The home learning grid gives a variety of creative tasks for the children to choose from, which link to their topic for the term. We suggest that children choose one to complete, however should they wish to complete more, we recommend no more than three. These tasks are optional and should be chosen in addition to, not instead of, the English and Maths key learning tasks.

Home learning is due in by the last day of term.
