

EYFS Term 1 Home Learning Grid

Who is in my community?

Home learning is due in by the last day of term.

The home learning grid gives a variety of creative tasks for the children to choose from, which link to their topic for the term. We suggest that children choose one to complete, however should they wish to complete more, we recommend no more than three.

<i>Read your school books 5 times a week. (more information to follow at our Stay and Play)</i>	<i>Draw a picture of your family to share in school.</i>	<i>Ask a family member about their job. What do they have to do?</i>
<i>This term we are practising putting on our socks, shoes and wellies. Can you do this at home?</i>	<i>Go for a walk to the park. What natural treasures can you find? e.g. Autumn leaves, sticks</i>	<i>Choose your favourite story to share with a grown up.</i>
<i>What is your favourite memory? e.g. a birthday or day out</i>	<i>Sing your favourite number rhyme to your family.</i>	<i>Look at a picture of you as a baby. How have you changed?</i>
