English home learning
Foundation Stage -Autumn 2

Reading, Reading, Reading!

Read for 10 – 15 minutes every day. You will earn a positive point for each day you read at home, so ask your adult to sign your reading record. Remember re-reading helps to develop your fluency and comprehension skills!

I can read the following high frequency words.

Week 1	Week 2	Week 3
a I	at an	in is it
Week 4	**Week 5**	**Week 6**
the to up	no go so	for his

Here are some ways you can practise them:

Make flash cards and practise reading them.

Play matching pairs.

Trace the words in different materials such as sand or shaving foam.

Ask an adult to write a sentence with the word in. Can you spot the word?

Write the words on a magnetic drawing board or whiteboard.
