EYFS Term 2 Home Learning Grid
Can you read me a story?

Draw your favourite Traditional Tale and use your picture to retell the story.	Goldilocks - Find something small, medium and large to order from around the house.	Three Little Pigs - Build houses using cushions, blankets or boxes.
This term we are practising putting on our coats and puddle suits. Can you do this at home?	Ask a grownup about what Christmas was like when they were little.	Material hunt. Find objects made of wood, plastic, metal and fabric.
Make a Christmas card for someone you love.	Sing a Christmas song or rhyme to your family.	Donate a toy to a charity shop that you no longer need for someone else to enjoy.

The home learning grid gives a variety of creative tasks for the children to choose from, which link to their topic for the term. We suggest that children choose one to complete, however should they wish to complete more, we recommend no more than three. These tasks are optional and should be chosen in addition to, not instead of, the English and Maths key learning tasks.

Home learning is due in by the last day of term.
